These courses are designed to equip Senior Leadership Teams with the skills, knowledge and understanding needed to take a strategic approach to embedding Thrive across your setting. The focus is on a whole-school approach to supporting age-appropriate social and emotional development for every child.

This intensive two-day training will introduce you to the Thrive Approach, it will give a clear understanding of the Thrive child development model, and how to apply this to support age-appropriate social and emotional learning. It will help you embed Thrive within the everyday curriculum, routines and structures within a mainstream primary school to improve learning outcomes.

Leadership teams will be able to:

- understand the links between social and emotional development and maximising learning potential to raise standards of achievement.
- develop a whole school, trauma sensitive approach to support social and emotional health of all children.
- have an understanding of appropriate expectations of behaviour at 'right time' development stages and how to support the development of these.
- screen all classes against 'right time' emotional and social development using the Thrive-Online assessment and action planning tool.
- interpret the Thrive-Online data to evidence progress and demonstrate impact of the Approach for a range of audiences.
- plan professional development sessions to deliver to all staff in school to support them in how to use the Thrive 'Right Time Learning' Approach.
- understand the role of Thrive Licensed Practitioners and consider how to support them effectively.

Suitable for:

- head teachers, senior leaders, curriculum leaders and PSHE leaders of schools new to Thrive. (KS1, KS2)
- head teachers and senior leaders from existing Thrive schools for further assistance in embedding the Approach. (KS1, KS2)

Also Included:

1. Set of Thrive Posters.
2. For schools new to Thrive, 30 days free access for all staff to Thrive-Online for whole class 'right time' screening. (Please note that a software subscription needs to be in place following this period in order for the school to have ongoing access to Thrive-Online.)
3. Refreshments.
